

Dear all,

As you know, for several years we have been collecting food for the food bank in Swindon. Our new collection point in Lechlade is Lynwood's café in the Market Place. Recently there has been a reduction in the amount of food being given, despite the great increase in recent requests for help.

We live in very uncertain and anxious times, with many people's jobs being under threat. Families are being hit particularly hard. Please do give generously towards this very worthy cause.

If you would like to give more money directly to the Swindon Food Collective, you can do so via their website: <https://www.swindonfoodcollective.org/donate-funds>
